Why do we have a Triad?

The Titan Triad is a celebration that can go a long way towards **building our sense of community** and our collective identity. Towards this end, it should be a celebration of everything CPA, of what makes us unique, of what makes us us. We are not just a collection of individuals but a group of people with shared experiences that offer us room for celebration. The Triad is an opportunity for us to let our hair down, so to speak, after a rigorous school week, as **we celebrate the three A's - Arts, Academics, Athletics!**

VOLUNTEER: Many hands make light work! Come **volunteer** a little, then Celebrate and enjoy the activities and entertainment the rest of the evening. Click [here](#) to see how you can help. We appreciate our parent and student volunteers. CPA student volunteers will receive **House points** (must check-in with the appropriate leader).

**Adults and children (5 and under) do not require a wristband. Students 6-18 require wristband for entrance. If you have a concern with the ability to purchase wristbands for your student(s), please contact treasurer@chandlerpreppso.org. We never want this to prevent any one of our wonderful students from attending. Thank you!
