SECTION III: STANDARD OPERATING PROCEDURES

BOARD LEADERS

Each PSO shall have a Board and the PSO Board's actions shall be governed by these Standard Operating Procedures ("SOPs"). The PSO Board shall determine the number of Leaders it will have. A good rule is to have between three (3) and five (5) PSO Leaders on the Board. The PSO Board shall consist only of the Headmaster, the PSO Leaders described below, and any committee chairs.

Board Membership:

The PSO Board consists of PSO Leadership including (1) the Headmaster, (2) the officers, and (3) committee chairs.

Each PSO Leader shall be a person of experience and good reputation in the community who is a parent, grandparent, or guardian of one or more current students of the Academy. PSO Leaders will actively support the goals and objectives of the PSO and be willing to contribute their time and effort to achieve such goals and objectives. There may be other such qualifications the PSO Board may prescribe.

The Headmaster of the Academy shall be an ex officio member of the PSO with voting rights.

Initial Leadership at a newly founded academy are appointed by the Headmaster. At the first regular PSO Board meeting, the Board shall elect officers and any committee chairs for committees they establish. The initial Board shall remain in place until the first annual meeting of the fiscal year. At the first annual meeting and in subsequent years, Board Leadership are elected by 51% of the then-current Leaders.

A Board Leader may be removed from office with or without cause by the Headmaster or the vote of a majority of the other Board Leaders of the PSO then in office either at a regular meeting or any special meeting called for that purpose.

OFFICERS AND DUTIES*President:*

The PSO President is the executive officer of the PSO and, in conjunction with the PSO Board, works in partnership with the Headmaster to establish a community atmosphere that supports and protects the academic goals and culture of the academy as established by Great Hearts. With this vision informing all the President's actions, they will guide the PSO, its Committees, and all family volunteers to strive to fulfill the mission to create a culture of service, grounded in charity, to ensure a truly vibrant and welcoming community of families dedicated to providing the highest quality academic and social environment for our children.

The President shall in general supervise and control all the day-to-day business and affairs of the PSO in accord with the duties and powers given to the PSO President in the PSO Bylaws. These duties include, but are not limited to, maintaining regular communication with the Headmaster and the families of the Academy related to the work and mission of the PSO, preparing the agenda for all PSO meetings, presiding over meetings and the membership, and overseeing all activities and funds of the PSO. The Headmaster is the final approver of all newsletters and emails sent from the PSO and its Committees and is responsible for all web content; however, the Headmaster may delegate this task to the President.

The President is an approved signatory and co-signer on all the PSO's financial accounts. If PSO funds are being used, the President, Vice President, or Treasurer approves all purchase orders or distributions. In some cases, the Headmaster's approval may also be required.

The President is charged with facilitating proper conduct of the PSO Leaders (Officers and Committee Chairs) and orderly PSO meetings. In this forum, the President's responsibility is to ensure all parties

have expressed their opinions for a proper vote to take place. The President will remain neutral on all voting issues unless their vote is needed to break a tie.

The President also acts as the liaison to the corresponding PSO of an academy on the same campus or associated with the same prep academy and works closely with them to promote continuity and partnership.

Appointment and Term. The initial PSO President shall be appointed by the Headmaster. Each President serves for a single one-year term and may apply for a second term. No President, however, shall serve more than two consecutive terms without the expressed written approval of the Headmaster. Upon completion of a single, final term, and at the pleasure of a majority of the then-serving officers, the President shall become President Emeritus and will serve in an advisory position to the Board for one year immediately following that term.

The President is an ex officio member of the Academy Advisory Council. This Council is the Headmaster's key leadership body for the Academy. It is represented by all the major stakeholders that make up the Academy's life. This body meets no less than quarterly and is the key resource for the headmaster in determining the strategic vision of the academy and ensuring that all its leaders and activities are aligned to that vision.

Vice President:

The Vice President shall assist the President and shall perform the duties of the President in their absence. The Vice President will assume the duties of any other PSO Board Leaders who may need to be absent for a monthly board meeting. The Vice President shall not serve more than two consecutive terms without the expressed approval of the Headmaster.

The Secretary shall attend and keep the minutes of all board meetings and maintain necessary records and files of the PSO. Minutes will be typed and emailed to the PSO Board Leaders and the Great Hearts Arizona Compliance team in a timely fashion and the Secretary shall maintain a hard copy of all minutes. The minutes of the general monthly meetings will be posted on the PSO website by the Monday following each meeting. The Secretary is responsible for PSO correspondence as requested by the President.

The Treasurer under the supervision of the Great Hearts Accounting Department, shall be the custodian of the PSO finances and verifiable records of funds of the PSO. It is highly recommended that the Treasurer has accounting experience. The PSO Treasurer shall receive funds and deposit them into the PSO bank account at a minimum weekly. More frequent deposits should be processed if volume or dollar amounts are significant (More than \$500.00 or 10 transactions). Credit card transactions should be processed immediately as received. The PSO Treasurer shall assist tracking revenue and expenses, request vendor payments and reimbursements via the Great Hearts Accounts Payable department (CONCUR), upload credit card receipts for monthly reconciliations, assist the PSO President in preparing

annual budgets and communicate financial updates to the Academy community. A detailed process and procedure guide will be provided by Great Hearts Accounting Department to each PSO Treasurer.

The Treasurer shall review monthly financial packets that are distributed by the Great Hearts Accounting Department. This PSO financial packet will also be distributed and presented by the Treasurer at PSO General meetings. The Treasurer will ensure that all records of funds are available to the Headmaster, President, and PSO Board and Great Hearts at any time.

ELECTION OF OFFICERS/TRANSITION

The initial PSO Board (at a new academy in the Great Hearts network) shall be chosen by the Headmaster as described above, but PSO Leaders may serve for successive years in different board roles, upon election by the PSO Board. Leaders may be re-elected to successor terms, but no Leader shall serve in the same capacity for more than two consecutive one-year terms without the expressed approval of the headmaster.

Nominations for new PSO Board Leaders shall take place in the fourth quarter of each year. Nominations will be accepted from the floor at the annual PSO Board Meeting as well as from a "Call to the Public" via an electronic communication (e.g., academy website, newsletter, etc.) at least two weeks before the meeting takes place. The voting rights of the outgoing PSO Leaders will be retained until the end of their term on June 30.

Upon the completion of their term or upon their resignation, each PSO Leader shall turn over to the PSO President, without delay, all records, books, and other materials pertaining to the vacated PSO Leader position, and shall return to the Treasurer, without delay, all funds pertaining to the vacated PSO Leader position.

In the initial year, the PSO Committees and the Committee Chairs are established by the Headmaster, with the Committee Chairs being Leaders of the PSO Board. Thereafter, the Committees shall be created annually by the PSO Board through the mutual interests of the Headmaster, parents, faculty, and the PSO Board. Committee Chairs serve as the liaisons between the PSO Board and the PSO Committees assigned to them.

Committee Chairs are Leaders of the PSO Board and as such, after the initial year, are elected annually to their position in the same fashion as the PSO Board Leaders (see section 3).

Each Committee Chair is a Leader of the PSO Board and is expected to attend and/or submit a report of their Committee activities for all PSO Board meetings. All PSO Committee Chairs and Committee

ANNUAL BUDGET AND FISCAL RESPONSIBILITY

Fiscal Year:

The fiscal year of the PSO begins on the first day of July and runs to the last day of June the following year.

Controls:

The Academies are subject to an outside audit on an annual basis. As the Parent Service Organization is a part of the Academy the PSO must comply with the same financial control guidelines as the academy.

Accounts:

Great Hearts Arizona has an established banking relationship with Arizona Bank and Trust (AB&T) for all the Academies' and PSO's day to day operations. The PSO President, GH Accounting Department, and Headmaster are required signers on the bank accounts. PSO's utilize Great Hearts centralized accounting services including Concur for accounts payable and credit card transactions. PSO's may also request prepaid expense cards (PEX) for business expenses. **Cash withdrawals from bank accounts and credit card accounts is strictly prohibited per Great Hearts finance policies. Cash, checks or other donations should be dropped in the school safe and should not leave the campus by either a Leader or volunteer of the PSO Board.** Additionally, any expenditures over \$500 that are not deemed to be operating expenses must be approved by the Headmaster. Company issued credit cards must be utilized in accordance with all Great Hearts Accounting policies with proper receipting and authorizations submitted monthly to Concur. An itemized receipt/invoice is required for all credit card purchases, failure to do so could result in the person responsible for the credit card to be liable for charges/expenses. Additionally, credit cards may be cancelled if excessive receipts are missing irrespective of dollar amount. Credit cards are to be used for company purposes ONLY.

The Treasurer, President and Great Hearts Accounting Department shall have online access to the checking account and credit card activity. It is in the interest of all to verify monthly activity with the Great Hearts Accounting Department. The PSO Board shall adhere to all guidelines and respond to all requests of the Great Hearts Accounting Department or the Headmaster regarding all financial matters.

Relationship to the Academy:

The PSO shall operate under the federal tax identification number of the academy. The PSO records shall be distributed to the Headmaster monthly, and the accounts shall be considered part of the overall academy finances.

Preparation, Adoption and Modification of Annual Budget:

The PSO Board shall prepare an annual budget for the following school year in the third quarter. The PSO Board shall review the proposed annual budget, invite comment on the proposed budget, make any necessary modifications, and approve and adopt an annual budget at the Annual meeting. The approved annual budget will be submitted to the Great Hearts Accounting Department who assist the Headmaster with overall academy budgeting. Once approved, modifications exceeding 10% of the annual budget must be approved by the PSO Board and separately approved by the Headmaster.

Expenditures:

Expenditures will be prioritized and presented as a part of the budget at the PSO Annual meeting. Expenditures over \$500 not anticipated in the annual budget may be submitted to the PSO Board by the Headmaster or other PSO Board Member and can be voted on at any time throughout the year. These votes may take place at any Special or General meeting, whichever is appropriate to the amount of the funding request.

Contractual Obligations: Any contracts involving financial expenditures or potential liability must be approved in writing in advance by the Finance Department. Any agreement or contract, whether oral or in writing and whether any costs are associated with the Agreement, for use of any Academy space must be approved by the Headmaster and the Executive Director or their designee in writing.

Annual Year End Disbursement:

The PSO Board will retain adequate funds for operating expenses to start the upcoming school year and transfer the remaining excess revenue to the academy by June 30 of the current year in accord with the Bylaws unless the headmaster approves an alternate amount.

SECTION IV: PSO PASSIVE REVENUE GENERATION

HOW ARE PSO SUPPORT FUNDS COLLECTED?

The PSO collects funds through passive revenue generation programs sponsored by the PSO. Passive Revenue Generation does not require a direct “ask” of charitable gifts from individuals, business owners, corporations and foundations or other external charitable funding entities. Direct charitable gift asks of support is solely reserved for the Office of Academy Giving & Advancement across all Great Hearts Academies. PSO’s must abide by this universal understanding to prioritize direct individual fundraising efforts in support of annual campaigns which make up anywhere from 6-10% of each individual academy’s operating budget. A copy of this policy can be provided by the Academy Giving Manager. There is no membership fee to belong to the PSO and students are never asked to sell any item or service.

DEFINITION OF PASSIVE REVENUE GENERATION

A passive revenue generation program is a program offered by a corporation or small business that will donate a portion of their sales to qualifying schools for purchases made in day-to-day activities and do not require a formal partnership or sponsorship of any one given corporation or small business and does not require the usage of the Great Hearts or Academy specific branding. They allow participants an opportunity to have money donated to a school through their everyday shopping activities.

A passive revenue generation program does not require the implementation of a donor or the development cycle of a participant. It is most often tied to a “portion of sales” and does not require that any one individual or single entity participant to pay an additional amount of money for his or her purchase. Finally, through a passive revenue generation program, the participant does not make a gift directly to the academy. Instead, a portion of their purchase made to a corporation or small business is donated back to the academy by the corporation.

Examples May Include:

<ul style="list-style-type: none"> • Lunch Program • Store Credit Programs • Snack Bar • School Swag • Homecoming • Spirit Wear • Father/Daughter Dance • Camp out on campus • Food Truck Friday • Teacher Appreciation week and luncheons (fall, winter, spring) • Loyalty Shopper Cards at Fry’s, Harkins, Target 	<ul style="list-style-type: none"> • E-Script & Script • Winter Formal • New and Used Book Fair • Used Uniform sale & exchange. • Fall and Spring Festivals & Dances • Movie Nights • Box Tops for Education • AmazonSmile
--	--

USAGE OF PSO REVENUE

The funds generated through the Parent Service Organization are to be used solely to benefit the faculty, administration, and students. As per the PSO Bylaws, no one in the PSO receives remuneration for the time and service they provide. The PSO has a general budget, voted upon by the PSO Board annually, which specifies the items and initiatives that will be supported. These include teacher appreciation activities (birthday celebrations, special luncheons), hospitality for academy events (Sports Banquet and All-School Awards), snacks and drinks for student Field Days, as well as providing for minimal PSO operating costs (website hosting, paper for flyers/forms, etc.). The purchase of large assets for the academy such as FF&E (Furniture, Fixtures and Equipment) is prohibited. This type of request must be made through the Headmaster in conjunction with the Regional Home Office Facilities Director and be processed as a transfer of funds. This will enable the academy to make the purchase and the asset to be recorded correctly on the academy balance sheet.

RECOMMENDATION FOR ACTIVITY TERMINOLOGY

We prefer to use the term ‘passive revenue generation’ instead of ‘passive fundraising’ for the activities of the PSO, to avoid confusion with the direct fundraising activities of the Academy Giving Manager, the Community Investment campaign, and Tax Credit drive. The revenue generation of the PSO is used to support the programs that align with the objectives and purpose of the PSO. PSO’s must not use nomenclature which may cause confusion within the parent community or compete with the charitable fundraising priorities of the academy.

Best Practice Rules of Engagement

Academy Fundraising Priorities	PSO Passive Revenue Generation
Always has priority messaging and allows for incentivization.	Does not incentivize or present community messaging that conflicts with annual campaigns or creates confusion within the parent community.
Publishes donor lists as approved and in accordance with the donor’s wishes.	May not publish donor lists
Uses proven best practices built into a pre-approved strategic development plan to meet the needs of the academy operations.	Relies on revenue that is passive in nature and does not make direct asks of individuals.
Must follow the fundraising policies & gift acceptance policies of Great Hearts Academies.	Must follow the policies & procedures of the Great Hearts PSO manual & bylaws
Receives support and coaching from Great Hearts Development/Advancement team through weekly meetings/quarterly and annual meetings.	Receives support and coaching from Headmasters alongside their Academy Giving Manager to prioritize Annual Campaigns in the community. Receive financial management support from the Great Hearts regions finance department.
Uses fundraising and development nomenclature such as Campaign, Fund, Appeal, Fundraising	Does not use development nomenclature such as “Fundraise” or Fundraising, campaign, fund, appeal.
Follows the stewardship plan which includes the tax receipting and acknowledgment of all donations	Uses passive language such as support, build community, assist, partner, join

HOW IS “FUNDRAISING” CONDUCTED AT A GREAT HEARTS ACADEMY?

The Great Hearts development/advancement team is responsible for raising 10-20% of the overall budget of each academy in the Great Hearts network. This is done through the deployment of an annual strategic plan and efforts related to the academy-based campaigns such as the Community Investment campaign and Tax Credit Drive.

The strategic fundraising work led by on-site Academy Giving Managers with direction from Great Hearts leadership must raise funds because 1) public charter schools receive less per-pupil funding than public district schools and 2) a Great Hearts education offers curriculum that cost more than we receive in public funding. Those priorities include 1) smaller class sizes, 2) lower student-to-teacher ratios, and 3) the inclusion of specials such as foreign language, art, music, and, at the Archway level, physical education.

The annual campaign development/fundraising efforts at each academy allow students to fully receive the Great Hearts educational model they deserve, and parents expect.

TEACHER APPRECIATION INITIATIVES VIA SNOWSTORM OR (SEASON OF GIVING like activities)

History & Purpose

The purpose of this holiday tradition was founded on the premise of replacing the multiplicity of trinket offerings that teachers would historically receive as a gift a 'thanks' during the holidays. In lieu of coffee mugs and other like gifting, parents of students make a **small monetary gift *de minimis*** as an offering of thanks to teachers within their own community during the holiday gift giving season. Promoted ask amounts should align with this intent and not exceed more than \$500 for any single giver. Should a family want to make a significant gift to support teachers (over \$500), they should be encouraged to speak with their Academy Giving Manager about the Teacher Excellence Fund. Snowstorm and like activities may not be promoted as **"bonus"** compensation and **may not be incentivized** by Academy leadership and sponsoring PSO's.

1. PSO's may not run more than one of these initiatives during an academic year. It should take place during the holiday season to keep with the intent of it's founding.
2. Prior to the Snowstorm season, PSO leaders are **required** to meet with their Headmaster alongside their Academy Giving Manager together. Together, the Headmaster, Academy Giving Manager and PSO Leadership will create a plan with actionable items that can be monitored. Headmasters, Academy Giving Managers and PSO leadership will work together to determine how to integrate the below **FY22 requirements** into their academy schedule.
 - a. The period for Snowstorm activities will be **November 15th – December 9th**. For the success of your Community Investment campaign PSO's will **pause** on any **Snowstorm** communications, activities, and collateral distribution on **Friday, November 26th – Wednesday, December 1st**. This will preserve #GivingTuesday for the direct benefit of your academy and successful annual campaign activities taking place on #GivingTuesday. Note: ***#GivingTuesday language is reserved exclusively for the Office of Academy Giving.***
 - b. All Snowstorm gifts will be collected, tracked, and deposited in the associated bank accounts; a transfer will take place into the academy accounts where the designated gifts will be distributed via payroll on **December 24, 2021**. This means all giving to Snowstorm must conclude by **Friday, December 10, 2021**, and the worksheet submission will be due to the home office on that date for payroll processing to take place.
 - c. All PSO's will provide a listing of donors and gift amounts so that those gifts may be properly recorded and acknowledged. If a PSO chooses to use the Configio portal established for them, they will not have to provide this independently as the transaction report will be used for gift entry.

- d. As briefly mentioned in #3, PSO's will be encouraged to use the Configio portal for Holiday Appreciation for FY22 but will not be required to do so until FY23 (December of 2022). For FY22, other giving portals will not use giving buttons with predetermined gift amounts. PSO's may recommend *de minimis* giving by encouraging an amount per student but should not make recommendations for giving levels. It should be a free form field.
3. Other Best Practices should include:
 - a. Being strategic in the frequency and content of emails & social media posts sent or posted by the PSO.
 - a. Including necessary language in PSO communications regarding fundraising priorities (e.g., If you have not yet made your gift to Community Investment, please do so first! Use partnering language when possible.
 - b. Limiting drive line interactions by PSO (e.g., PSO members hand out envelopes for Snowstorm on one day and they pick up envelopes on another)
 - c. Use prudence for budgeted spending for Snowstorm celebrations.
 - d. PSO's should cross coordinate with their sister Prep or Archway academy for alignment to ensure the PSOs to help alleviate confusion with crossover families. (Families that have a student at both archway and prep)

PSO's will work with their Headmaster and Academy Giving Manager collectively to ensure within their respective academy's that Community Investment Campaign and Tax Credit Drive always receives priority messaging. PSO's should actively work towards cross-functional collaboration during this time of the year.
